

## ABOUT ME

Hi, I'm Rob, a 2nd Year CompSci. I'd like to take on the role of CUADC webmaster to keep the mailing list and website running and up to date (including by removing outdated information), and to (attempt to) make it run faster!

(Don't believe it's slow? Go [see for yourself...](#))

I'm primarily a Sound Designer, but also dabble in Lighting Design, and Assistant Stage Management.
