# SOCIAL AND OUTREACH SECRETARY

## CUADC COMMITTEE 2023-24

### Why YOU should vote for ME!

- I am an MML Fresher so this is technically the only year I can be eligible to run for committee :(
- I am very cool and super fun to be around, I am sociable, organised and like planning things!
- I would be a wedding planner if I wasn't at Cambridge lol...
- I care a lot about outreach and getting more people involved in theatre
- I will bring party rings and oranges to every committee meeting (because of the party vibesssss I can bring to the table)
- No other frechies have applied to committee, so you really need me to fill the quota teehee

Me being social!

Me being organised!

### What are my plans for the role?

- More involvement with local Cambridgeshire schools for our shows, (school group trips and workshops/Q and As)
- Run workshops with Uni-Wide, Access schemes for applicants (e.g Target Oxbridge, Sutton Trust, Apply Cambridge)
- More low-key socials in the calendar! Think Pub Quizzes, Local Theatre Trips and Sip and Paint Sessions (ADC Workshop edition\*)
- Increasing involvement in ARU Freshers events and outreach
- A Freshers Brunch social at the beginning of the year and a Finalists social at the end of the year (can also be brunch if you want idk if you still find that fun as a finalist lol)
- Will choose a really rad theme for club dinner and garden party – I promise xoxo (also we can have a vote on whether we put slay in the theme's title...)

### Relevant Experience..

- I planned my high school prom by myself and I am a set officer for my college's May Ball, also I genuinely like event planning a lot
- Disgraced Fresher's play set designer (as seen above), I promise the club events won't feature moss green flats with wonky frames <3
- I have considerable committee experience – I am Fresher's treasurer for Caius JCR, Vice Pres of Caius Open Mic and Secretary of a cultural society
- I have been involved extensively with both college and uni-wide outreach
- I am a cringey frechie who loves Cambridge theatre – shameless camdram plug!

Me being involved in student theatre!

\*I cannot guarantee that management will let me make this happen...:(
