

2nd year
engineer at
Queens'

Vivian Wang

This awesome girlie
is running for
CUADC 2023-2024
Webmaster!

Any questions contact me
at: ww404@cam.ac.uk

Why do you want to run for Webmaster?

Short answer: Because it's iconic, and I love to do iconic shit.

Long answer:

- I know how the committee works and am familiar with the major events throughout the year to put on the website
- Have the basic coding knowledge from my degree
- For lots of freshers the website is probably their first time learning about us and first impressions are just so important.

What I want to do if I were elected:

- Make sure the smooth running and regular maintenance of the cuadc website (read: hopefully it crashes less often)
- Working closely with publicist to ensure Club shows are displaced and publicized on the website
- Maintaining the club mailing lists and committee email addresses (read: I will find a way to recover the lost email passwords)

Relevant Theatre Experience

- CUADC 2022-2023 Actors' Rep!
- Acting in ADC, Corpus, and college theatre. (mainly this)
- (have tried my and at:)Producing, stage managing, directing and lighting design.
