### 4. Year in Review

LRC gives a speech on what the committee has achieved over the past year:

- CUADC continued funding shows at the adc theatre and corpus playroom!
- 'Legally Blonde', last year's Lent Term Musical, was the best selling musical in several years.
- 'Saint Joan' and 'Escaped Alone' in Easter Term were very successful and well-reviewed.
- The club was proud to fund 'The Convert' in Michaelmas Term, which received glowing reviews and brought a lot of new engagement to the club.
- Panto was also a real highlight with members of the committee being involved in many of the production roles as well as performing on stage.
- CUADC introduced an accommodation subsidy for the club members involved in the Edinburgh Fringe show, 'The Ladies', which is a tradition LRC hopes will be continued by the next committee.
- This term, CUADC funded the hugely successful 'A View From The Bridge', which sold out on its last three performances.
- LRC looks forward to the LTM 'Guys and Dolls' at the end of term.
- Finally, Club Dinner was a wonderful evening and it was lovely to see so many freshers and new faces from all years in attendance!

## **5. Presentation of the Accounts**

NH talks through the accounts, explaining what the figures mean. Overall, it's been a good year. We have increased engagement in Cambridge theatre. Significantly, there was no massive financial loss at the fringe due to the funding of a single show instead of two.

SM explains the club's new mascot is a duck. Her name is Diana.
