S – 17% so far. It's been a slow one. We'll be flyer-ing ETG and Corpus shows this week though, and print publicity should be arriving ASAP (there was a delay in this despite us meeting the deadline for it in December).

P – All good. Headshot change coming this Tuesday. Had a prod meeting 11/01 which went well. Get-in plans are being made for Sunday 19th. Trying to make sure that everyone is constantly updating their budgets so I can check in on how we're doing! Programme design was finalised and sent off on Friday.

A – Looking good. Show is fully blocked with our first stagger through today. Actors are also starting to get off book which is good.

T – Set is starting to get built (all materials have finally arrived!). We have also contacted the late show re requirements for their set and what they need from us.

b. The Waves, IG

c. Identity Crisis, NH

5. Event Reports

a. Club Dinner

MC will be announcing ticket prices on the 'Cambridge Theatre' facebook group in preparation for the sign-up release on Wednesday.

The price for a non-drinking ticket will be £30 while the drinking ticket will cost £37.50. Subsidised tickets at a price of £20 will be offered to members of the committee and of ADC theatre management.

6. Membership

TN asks the committee to confirm that they are happy to enstate the new membership system discussed in our last meeting. The committee confirms.

7. Fringe applications

It is decided that LRC, LT and NH will conduct interviews with all applicants next Sunday.

8. Proposal to move panto matinee

Following replies received from the Panto matinee feedback form, the general consensus is that the number of shows would be more manageable if the Friday matinee was moved into the second week of shows. This change will be proposed in the next meeting with the theatre executives.

9. Moving Freshers Lateshow

Easier to find a play to put on in the corpus lateshow slot

16:40 MAR arrives.

DE it would be a very different experience for fresher SMs (+techies) → less opportunities for training freshers techies

LRC could we talk to other ADC mains

16:45 SM leaves.

TN takes over minuting.

10. Female playwright database

Start a database of plays written by female playwrights which have not been performed at ADC or Corpus in last few years. DE to make a start, put link on Slack and everyone can add suggestions.

11. Presidential Election

President elections need to be held by Week 4. By the end of next week, committee members need to declare to Lucia (privately) whether they would like to nominate themselves as the next President.

12. AOB

Building Trustees: NH informs committee that club will need to pay £2000 for legal fees on adding building trustees. LRC and NH to discuss with Senior Treasurer to get this done.

17:00 the meeting ends.
