3. Show Reports

Raisin in the Sun - everything seems to be going well with the show. ticket sales are quite low but hopeful that they will pick up with word of mouth. Committee will try and spread word about the social (it appears only the committee have bought social tickets so far). HV will be in contact to encourage social media push.

Metamorphosis - sales 89, recruiting for the get-in, trailer is out. May need hands for get-in to get stage signed off in time.

Panto - tickets are selling well, the first release has been successful and section 2 is signed off.

Love Corporation - about 10 tickets sold, audition process is happening and cast should be finalised next week. They are struggling to find LD and SD.

Fresher's Plays - "soo many auditions geez louise!" approx 80 auditions, director's should be decided by thursday so recall's will be next weekend. JR will tell people after their audition to come to the raisin social - we will tell them it is the place to be.

4. Brunch Socials

will schedule another brunch social on the 29/10, also looking into a Jesus formal towards end of the term. EL will confirm plan for meetings going forward.

5. Welfare Training

HV will contact SU to organise welfare training. Seems to be a problem with the appointment of welfare reps as people who want a low-key commitment rather than being interested in the role. Also when welfare reps are appointed and are very close with director/producer. If committee are trained we would look to put out some ideas about welfare rep.

6. Fresher's Updates

FC will roll out theatre families soon - if people haven't heard yet it simply hasn't been rolled.

7. Club Dinner

Lots of theme ideas including "your mum" committee we know it's you. The shortlist is: confidentiallll The winner is... lol find out next term....

8. Socials

Coffee and Cake needs to move earlier as Harvey's closes at 2pm oops - disable students social also needs to move as Evie and Freya are in show selection.
