3. Show Reports

Vera Stark - SO

(LT ASM debut was fabulous, with thanks to RE and SC)

Final publicity push was a success. Acting was fab and speedy get out! Team are happy! Make sure shows go through committee to organise socials.

LT to send feedback forms out.

Jamie - KS

Sold 60 tickets this week. Harvey's feature + radio things + second round of posters. Filming trailer today. Programme signed off.

Rehearsals getting intense, videos are there for people to catch up. Feel they're ahead of schedule, taking it seriously. Two welfare officers do seem to be engaged with actors and techies.

Still in conversation about budget increase for wigs.

Section 3 and 4 signed off. The desks are built. Big build push for next week - should push on fb/camdram.

Doctor Faustus - TB RE

Sales up to 72. More application packs going out soon. Clit soc social confirmed + more societies emailed. TB recruited.

Edinburgh Fringe - HR

Tickets will go out on 12th! Publicity plan will continue from this week. Natalie callbacks on Tuesday. Full cast readthrough + character session.

Tech and welfare packs are made and will go out soon. HR to be in discussion about minimal set due to Fringe changeover.

Camden Fringe - HR

TB to put out deadline reminder tonight.

4. Allocate New Show Contacts

The 67s have accepted. New show contact SO.

5. BME Rep(s) - EC

EC thinks we should have one or more BME Rep(s) on committee. In the same way we have an actors' rep, could have this role to represent BME voices on committee. EC wants to talk to other societies that have a BME Rep about what the role would entail.

GS notes this will require a special general meeting, but could be achievable by Michaelmas so that the position will be there when Freshers arrive. Will continue discussing.

6. Stash - LT

Should be here week after term ends!

7. AOB

Footlights have found a show they think could be good for Freshers' Plays, want to sit down and have a chat about it before the end of term! SO RE HR FR EC SC GS to attend meeting.

Meeting adjourned at: 15:09
