- Meeting with producer tomorrow
- Seems to be going well
- Recruited stage managers

Medea - AC

- Sales - No data on sales. Very successful photoshoot on Thursday after which poster has been designed and website is ready to re-launch <https://medea.cam/rebrand>. Plan to share a video/reel about the play (filmed at

read through), poster, redesigned assets and website early next week. Plan to flyer Gatsby and seeking to put A1 posters up given Mina is in the cast.

- Production - Aisling appointed as Welfare officer and onboarded, has shared a general information and check-in form which will be signposted at the read through. Read through tomorrow (Sunday 8th) and rehearsal schedule will be built this week after actors are reminded to fill in calltime.
- Acting - Still to cast Tutor. Rest of cast already starting to get to know each other at photoshoot and will meet again on Sunday.
- Technical - Further set meeting held this Thursday after photoshoot. Finally settling on design. Looking to try and re-use 5 4x8" flats from Private Lives after their show and are considering paying for storage if the ADC cannot store them. Lighting hire still to be booked.
- **ACTION:** GS to go speak to Stanley Alice about sales reports not working.
